Degreaser Cleaners- Exterior

COLOR:

Red

SCENT:

Cinnamon

PRODUCT DESCRIPTION:

Red Hot® is a heavy duty, Exterior Degreaser concentrated cleaner for exterior surfaces. Makes, engines, wheels, wheel wells, door jams, and tires look like new. VOC compliant and body shop safe. This product can be applied to painted surfaces as long as painted surfaces are cool to the touch.

DILUTION RATIO:

- Tire & Wheel Cleaner: dilute 1:6 with water.
- Engine Degreaser: dilute 1:4 with water.
- General Exterior Cleaning: dilute 1:20 with water.

DIRECTIONS:

Spray directly on surface and use soft brushes for engines, tires, wheels. Do not use on glass or **hot surfaces**.

SURFACE APPLICATIONS:

Engines, wheels, tires, wheel wells, door jams, floor mats.

ADDITIONAL USES:

Boats, RV's, Motorcycles, Commercial Vehicles

HELPFUL TIPS:

Always use #51 Red Hot at the recommended dilution for the areas to be cleaned.

Always cool off surfaces before applying any chemicals

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com

Use proper safety PPE when using any chemicals.

PPE-personal protection equipment
