

## Product Technical Bulletin

**PRODUCT NAME:**

Super Thick Dressing®

**PART #:**

501460  
501465

**PACKAGE:**

5 Gallon  
55 Gallon

**PRODUCT CATEGORY:**

Dressings & Protectants – Water Based

**COLOR:**

White

**SCENT:**

N/A

**PRODUCT DESCRIPTION:**

Super Thick Dressing® is a super thick scent free premium water-based dressing. Great for use on exterior moldings and bumpers and vinyl trim. Dilute for engine and interior uses

**DILUTION RATIO:**

Dilute up to 1:2 with water.

**DIRECTIONS:**

Apply to the surface with an applicator or paint brush. For a high-gloss finish, apply directly, and then allow to dry. For a semi-gloss finish, apply, and then wipe evenly with a clean dry cloth.

DO NOT apply to brake/accelerator pedals. For engines, spray product directly over entire engine, then allow to dry naturally. Product can be applied when the engine is still wet; just after the wash and rinse.

**SURFACE APPLICATIONS:**

For use on all tires, exterior molding, rubber, and non-painted vinyl trim. Also works effective on interior hard surface plastic and vinyl. Works safe and effective on renewing engines.

**ADDITIONAL USES:**

Excellent on RVs, boats, ATVs, and more.

**HELPFUL TIPS:**

Use a damp towel to clean any residue off of unwanted areas.

**SAFETY & HANDLING:**
