

Technical Data Sheet

PRODUCT NAME:

Ultra-Concentrate Spot Remover

PART #:

50225D

PACKAGE:

32 oz.

PRODUCT CATEGORY:

Specialty Items Interior

COLOR:

Green

SCENT:

N/A

PRODUCT DESCRIPTION:

Ultra Concentrate Spot Remover, 50225D, diluted 1:32, is a professional carpet, fabric and upholstery spot cleaner that attaches to protein-based stains and devours them in minutes. Consumes the toughest, food, grass, soil, blood, organic and pet stains. Super concentrated formula. Fabric and carpet remain soft and natural after use. Ultra-Concentrated Spot Remover also makes an effective odor eliminator, as it kills the bacteria that causes the odors. VOC compliant and body shop safe.

DIRECTIONS:

Shake well. Dry brush and vacuum the fabric and stain prior to application. Spray the area with Enzyme Ultra Pre-Spot and allow to set for 3-5 minutes. Use a carpet brush wrapped in a clean towel and scrub the stain. Reapply if necessary. Dry-vac or hot water extract. **Do not breath vapors.**

SURFACE APPLICATIONS:

For use on all types of carpets, fabric, and upholstery; both stain-resistant and non-stain-resistant.

ADDITIONAL USES:

For cleaning hard-to-remove, animal and protein-based soils in homes, cafeterias, restaurants, etc.

HELPFUL TIPS:

Product must be diluted properly. More is not necessarily better. Be sure to allow at least 3 to 5 minutes for enzymes to break-up the stains. Do not use if product is over 1 year old. Extract until all chemical is removed. Be careful when scrubbing stains so they don't grow, extracting first, then try to scrub if necessary.

SAFETY & HANDLING:

Safety Data Sheets can be found online at automagic.com

Use appropriate safety gear when using all chemicals
