Professional Car Care By EVERCOAT®

TruAdvantage™ Ultra Concentrate Ceramic Spray

INNOVATIVE DISPENSING, SAME INCREDIBLE PERFORMANCE.

TruAdvantage™ Ultra Concentrate Ceramic Spray is one component of the new AutoMagic TruAdvantage™ system. Ultra Concentrate Ceramic Spray is a very quick and easy to use high-gloss SiO₂ spray for use on exterior surfaces. Provides an extremely slippery and hydrophobic surface. Gives lasting shine to exterior paint, plastic and chrome and is nonabrasive.

APPLICATIONS

- Paint / Clear-coat surfaces
- Watercraft
- RV's
- Motorcycles

BENEFITS

- Excellent water repellent.
- Durable, long-lasting shine that is easy to apply.

DIRECTIONS

Use on a dry or mostly dry vehicle, just after a proper wash. Shake product well. Lightly mist product onto the surface. Wipe product into the exterior surfaces with a clean, dry towel and buff to a high-gloss with a second, clean, dry towel. To avoid streaking, it is best to remove product quickly if hazed. Do not use in direct sunlight. Use only a small amount of product, or enough to spread over applied area. DO NOT use on steering wheels, brake or gas pedals, shifter knobs.

HELPFUL TIPS

- Use Clay Magic® Detailing Clay to ensure all surface contamination has been removed
- Always cool off hot surfaces
- If product hazes or you have a high spot wipe again with a moist towel to blend haze
- Safety Data Sheet available on automagic.com

TECHNICAL SPECIFICATIONS

Part #	50205D
Product Category	Exterior Detailing
Color	Off White
Scent	Vanilla Cookie
Abrasiveness (1-10)	0
Dilution Ratio	1 to 10
Package Size	32 oz.
