PRODUCT DESCRIPTION:

Motor Degreaser Concentrate is a heavy-duty cleaner formulated specifically for use as an engine degreaser. Effectively and effortlessly dissolves oil, grease and stubborn grime in just minutes. VOC compliant and body shop safe.

DILUTION RATIO:

Engine Degreasing-2:1 dilution with water
Tire/Wheel Cleaner-4:1 dilution with water
Exterior Cleaner-8:1 dilution with water

DIRECTIONS:

Spray on a warm engine, allow to dwell 5 minutes, and then rinse with pressurized water. May damage paint if used full strength and not rinsed properly. It is best to wipe a wash mitt with suds onto the painted areas after degreasing motor. This will neutralize any product that may have been sprayed onto the paint. Rinse with water afterwards.

SURFACE APPLICATIONS:

To be used specifically on engines, motors and motor compartments.

ADDITIONAL USES:

Works ideal on boats, RV's, motorcycles, and commercial vehicles for heavy-duty degreasing.

HELPFUL TIPS:

Always use #5 Motor Degreaser at the recommended dilution ratio. **Do Not let product or any chemicals dry on surfaces.**

SAFETY & HANDLING:
