62-55

PACKAGE:
Gallon
5 Gallon
55 Gallon

PRODUCT CATEGORY:
Dressings & Protectants
Exterior & Interior

COLOR:
Milky White

SCENT:
N/A

PRODUCT DESCRIPTION:

Universal Dressing™ is a water-based, ready-to-use silicone dressing for all nonporous interior and exterior surfaces. Great for use on vinyl, rubber and plastic. Excellent for use on interior dashboards. Also works great as an engine dressing. VOC compliant.

DILUTION RATIO:

RTU-Ready to Use
1:4- Engine

DIRECTIONS:

Apply Universal Dressing™ directly with a sprayer, sponge, applicator pad, soft brush. For less shine, wipe with a second, clean, dry cloth. For engines, spray product directly over entire engine, then allow to dry naturally. Product can be applied when the engine is still wet; just after the wash and rinse. DO NOT apply to brake or accelerator pedals.

SURFACE APPLICATIONS:

Great for both exterior and interior use. Will not harm plastic or vinyl dashes. Safe for engines.

HELPFUL TIPS:

Be sure your surfaces are clean before application of Universal Dressing™. Best used on cool surfaces. Do not dilute this product.

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com
Use proper safety PPE when using any chemicals.
